

❖ **LOW-EMITTING MATERIALS**

Indoor Air Quality

The bonding agent used is zero-emitting unique to Northstate Carpet Mills and world first and best by BASF.

❖ **EXTENDED PRODUCT/REPLACEMENT LIFECYCLE**

Building Reuse

Green Carpet include performance features and warranties that extend product life beyond conventional products.

❖ **WASTEWISE**

Noahs - Thumbs Up

We partner in the Environmental Protection Agency's Wastewise Program. Northstate Carpet Mills through diligent waste auditing and energetic sourcing of recycling options have seen to date divert over 100 tonnes of material from land-fill per year.

GCCC - Northstate wins major waste minimisation award

The Compass - Saving 740 trees each year

EcoBiz - Wins contract to supply carpets to Q-Build and government office buildings throughout Queensland

❖ **WATERWISE**

We have in place processes of water saving and water harvesting in conjunction with BASF, Gold Coast City Council and Environmental Protection Agency.
